

Le confezioni

Nome gioco - Estero

Molti mazzi portano sulla confezione il nome del gioco cui sono dedicati. Alcuni portano il nome di giochi internazionali, mentre altri sono dedicati a giochi tipici della nazione.

In questo capitolo i mazzi sono raggruppati secondo la nazione inserendovi i giochi in essa stampati o quelli stampati all'estero per un gioco tipico di quella nazione.

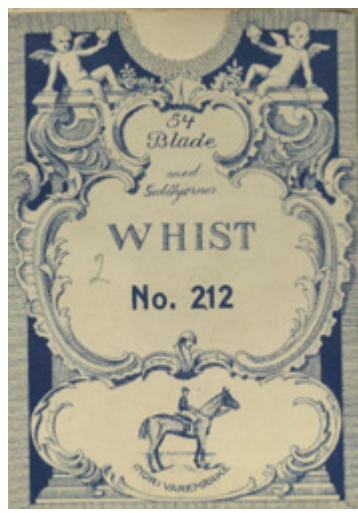

Ne abbiamo di [australiani](#) per il gioco *500*, di stampati in [Austria](#) per i giochi di quella nazione e per essere esportati nelle altre regioni dell'ex impero. Nell'[ex Cecoslovacchia](#) e in [Croazia](#) vengono ancora stampati mazzi con disegni di origine austriaca. Abbiamo mazzi stampati in [Belgio](#), [Francia](#), [Danimarca](#), [Germania](#) per *Skat* e *Zwickler*, [Gran Bretagna](#) per giocare a *Bezique*, [Hong Kong](#), [Messico](#), [Romania](#), [Russia](#) per il passatempo tradizionale *Preference* e [Cina](#) per Mah Jong. Seguono poi [Spagna](#) con mazzi per *Mus e Truc*, [Svizzera](#) con *Jass*, [Svezia](#) col *Killekort*, [Ungheria](#) con mazzi per esportazione e tarocchi, [USA](#) con *500* e *Pinochle*, [Olanda](#) per Pang.

I mazzi italiani sono in un capitolo a parte.
