

Le confezioni Mazzi regionali esteri

I mazzi delle carte regionali portano spesso sulla confezione il nome della regione in cui sono nati o il tipo di disegno del mazzo.

Questo succede in mazzi [austriaci](#), [ex cecoslovacchi](#), [tedeschi](#), [ungheresi](#), [francesi](#), [belgi](#), [svizzeri](#) e [russi](#).

Per i mazzi regionali italiani è previsto un capitolo a parte.

Nei mazzi tedeschi le carte sono spesso contenute in scatole di plastica trasparente. Il tipo di mazzo si evince dalla carta di presentazione che sta sopra tutte le altre, visibile anche con la confezione sigillata.
