

Jokers d'autore

Questi sono disegni di cui si conosce l'autore. Troviamo jokers di "padre noto" anche in differenti categorie. Se ne trovano per esempio tra i fumetti e le caricature. Qui sono inseriti in ordine di autore, con il nome dell'artista *in corsivo*; se l'artista usa uno pseudonimo è inserito con questo. Alcuni artisti hanno preso a modello i classici giullare e Arlecchino mentre altri hanno ideato disegni diversi.
