Regole dei giochi non standard

I mazzi non standard sono spesso dedicati a giochi particolari, che possono essere giocati solo con quello specifico mazzo.

Un foglietto con le relative regole diventa in questo caso indispensabile.

Oltre che su libretti o foglietti apposti, le regole di questi giochi li troviamo a volte su carte extra inserite nel mazzo.

GAME INSTRUCTION

The DOMINO cards are shuffled thoroughly and are laid face down on a table. Now the cards are distributed to each player. The first player put down one pointed card on the table and the next player must place another card with the same point beside it. To lay, for example, one card with 3 and 5 points on the table, a player can lay one card with 3 points beside the "3" or one card with 5 points beside the "5", and so on.
