I retri delle carte da gioco Diversi su ogni carta

I retri sono uguali per tutte le carte del mazzo per non permettere all'avversario di identificare quali carte si hanno in mano.

Alcuni mazzi, non usati per i giochi tradizionali, hanno retri diversi per ogni carta.

In alcuni mazzi il retro porta scritte esplicative del disegno sul verso:

18d - 2918 - ASS Interpretazione astrologica

18d - 0760 - XxX poesie di Hafez

16e - 3374 - Handa

16e - 3374 - Handa

14a - 3883 - Wüst

panorami Svizzera

One day a small ant was thirsty, so be went to the stream for a drink. While he was drinking, the poor little ard lost his balance and fell into the water. "Help! Help!" he cried "I can't swim."

A quack thrinking dove, who heard the ant cry, dropped a twig into the stream. "Climb on that," she cried "and it will bring you back to safety."

"Thank you." said the art "Nos have saved my life."

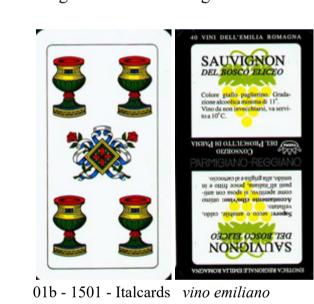

A few months later, a man came along with a big hunting gun. He saw the pretty dove and aimed to shoot at her. The art, who could see what was happening, knew that he had to try and save the dove's life. He ran up to the hunter and be him on the leg. The startled man fired his gun, but missed the dove, who flew away unharmed.

16d - 1904 - Fax Pax *fiaba*

FABLES S

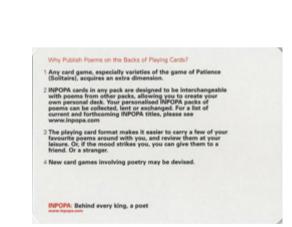

MORAL. You are never too little to try and help.

mentre in altri il retro non ha collegamenti con l'immagine sul verso:
